MEMORANDUM FOR THE RECORD

SUBJECT: Committee Oversight of the Agency

In connection with the question of the structure of the legislative oversight of the Agency, it is noted that Section 118 of P. L. 91-510 (Legislative Reorganization Act of 1970) requires that each standing committee of the House and Senate "review and study, on a continuing basis, the application, administration and execution of those laws, or parts of laws, the subject matter of which is within the jurisdiction of that committee." A further requirement is that the committees report to their respective parent bodies on their oversight activities. The first report is to cover the 92nd Congress and must be submitted not later than 2 January 1973 to the House and 31 March 1973 to the Senate.
